**1300 REDD ST. AUSTIN, TEXAS**

Dear Friend,

Nothing is more dear to us than our children and seeing them saved and motivated to serve the Lord. This has been the emphasis in our church for years. Most of us are looking for helps in the ministry, especially concerning our youth. We send our teachers and workers across the country to seminars to glean whatever ideas, motivations, and principles can be found.

May I recommend to you Tom Geer and his family. They can bring to your church a structured, timely, orderly program in a practical setting. Every one of your staff and workers (and maybe some who have the energy and heart but lack direction and confidence to get in and get started) can receive valuable instruction, hands on training, resource material, and an opportunity to see a job done well for the Lord, by two ordinary people like themselves. Your folks will get helps and a challenge and substance from the Geers. And the real blessing is, your young people will receive the same from their program. I guarantee, it will hold their attention, but it will be far more than entertainment.

You will be glad to have your people working side by side with the Geers. They are tireless, consistently cheerful and always mindful of the preacher's desires. Tom is uniquely gifted with a catlike ability to stay on his feet when the unexpected may strike. He can handle a crowd. He's flexible and he's ethical.

Whatever your need, from helping your school teachers, camp staff, VBS or youth workers, or someone to put on your Vacation Bible School or camp, Tom Geer is your man. Our whole church wholeheartedly supports the Geers and I don't think you could do better.

If you have any questions concerning the Geers, you may contact me at 512 447-9454. God bless you.

Privileged to serve,

Pastor Hank Thompson

To Whom It May Concern:

It has been my privilege to know Tom Geer and his family for over ten years. The Geers are some of the most dedicated and hard working people I have ever met. For several years they have been conducting Vacation Bible Schools at Open Door Baptist Church. Their character is impeccable, and I can recommend them whole heartedly to any pastor who desires to have a successful children's program or teacher training program.

If you have any questions concerning the Geer family, please do not hesitate to call me at 972-285-6771 (church) or 972-285-3390 (home).

May God richly bless you.

Sincerely,

Sylvester Matthews

Dear Pastor,

I am writing to commend to you Bro. & Mrs. Tom Geer. In my fifty years in the ministry I have been privileged to meet and know personally many of God's choice servants, and I can truly say that I know of none any finer than Tom and his dear wife, Chris.

They have proved themselves to be faithful, trustworthy, diligent and zealous in the work of our Lord Jesus Christ. They both have a servant's heart and have shown over many years that they are willing to pay whatever the price to serve the Lord. I salute them!!!

Yours,  
For Untold Millions

Howdy Sheriff, The Lady, & The Deputy,

I would like to take the time to tell you how much my girls (Lauren and Hannah) and I really enjoyed the services at Spring City Baptist this past Sunday. The Children's Church lesson was wonderful from the get-go to the final round-up.

It was refreshing to take part in the audience. I learned from the Bible, but I also learned that I could step up a little as a song leader for the children. I couldn't wait to see and hear what was next on the agenda! Thanks for the encouragement.

I also enjoyed the visitors (Young Granny and Deputy Don't Know). The singing and the message Sunday night really helped me. Thanks again! I have enclosed my daughter's testimony that she prepared for Master's Club.

Bye for now y'all,

Tammy Huffman,  
Children's Church Worker

Dear Pastors and Brethren,

When I got acquainted with the Geers, and the Sunday School Children's Ministry they share was introduced to us the summer of 2000 here in the Philippines, I was convinced that this program is what we all need to have a solid and effective ministry among children. One of the best reasons is the rigid Teacher's Training which is required, implemented, and continuous.

We are looking forward to their return this year, and spreading the news among my pastor friends so that many more will be blessed in this God-anointed ministry.

It is our prayer here that you will partner with the Geers and send them over here with "FAITH and FUNDS", and we assure you that this is one investment that will last throughout eternity.

Your co-laborer,

Bro. Nemuel Lesada
