And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. II Tim. 2:2

Dear Friends,

We treasure your encouragement, friendship and partnership in the work that God has called us to do. We just wish you could come along with us to see what we see! We thank God for His grace and for your prayers that keep us going strong.

As soon as Tom arrived back to the States from Europe it was time to head to Ohio for a month of Teacher Training with Southwest Baptist Church and then to Windsor Hills Baptist Church in Oklahoma City also for Teacher Training. We were encouraged by the interest and desire of folks to sharpen up their abilities to better reach and teach children for the Lord. We always enjoy meeting new friends and look forward to learning from them as well. We did an all day mini training for the Public School outreach workers from Shady Acres Baptist Church in Houston, TX. They have taken advantage of a wide open door to be able to go in weekly and freely teach the Bible there. In mid May we spent a few weeks working and preparing for Junior Bible Camp in Conroe, TX. Our camp theme was Hop to it - DO IT! taken from Ecclesiastes 9:10. God worked in hearts once again and we are grateful for those saved and the decisions made. It was a special blessing to have several counselors this year who were once junior campers with us at the same camp many years ago! Exciting to see young people continuing on in the ways of the Lord!

This summer our Vacation Bible School theme is BATTLE with the GIANTS. Our first for the summer was with our home church in Austin, Texas. We have about 100 folks that put their all into one of the most important weeks of the year for our church. We had over 370 children and teens attend with 103 accepting Christ as Saviour! There are over 20 teenagers who were saved during VBS remaining faithful to weekly discipleship classes to help them grow in the Lord. It was a wonderful week of reviving our hearts for the lost and seeing how compassion makes a difference! One very dedicated, talented man spent untold hours creating a 9 ½ foot tall Goliath. It was an amazing sight to see. He (Goliath) will be traveling with us to our Bible Schools in the States!

We are currently in Mexico ready to head out in the morning to the mountainous area of Huauchinango, Puebla for a week of Teen Camp followed by a week of Junior Camp. We will then have two more weeks in Mexico helping with 2 VBS's before heading back to the USA for our last two VBS's and Camp.

Please pray as we continue to make provision for Cris's mother whose health is failing little by little. We are currently looking for a live-in caregiver. If you know of someone who may be interested please let us know.

Sincerely for the Children,

Tom & Cris Geer
